The Atlanta Section of the chapter answered the call from ASLA to participate in their inaugural promotional event to raise awareness and understanding of our profession. More than thirty landscape architects and supporters gathered in Centennial Olympic Park during their lunch hour to talk with the public and share promotional materials provided by National.

Similar events were held concurrently by the Northeast Section (across from the Arch in downtown Athens) and the Savannah Section (at Madison Square). A scrapbook of photos from these events will be posted on the chapter website, as well as featured in our next quarterly newsletter in October.
